#### CLOSING STATEMENT

*We feel that this manual is a very important part of establishing a well rounded program. We hope that by utilizing this manual it will be easier for each student to understand what is expected of him/her. We also hope by use of this manual that the band will eventually become a self governing organization. When students have the feeling that they are contributing to the leadership, self discipline and government of the program, it fosters greater pride and self-reliance. We will only be as good as the dedication by which each individual is willing to give. We are available at any time to help each student in any way we can to make that student a better bandsman. If problems or questions arise, please contact one of us.*

*Sincerely,*

*Mike Lunney, Director of Bands*
